

## Course Overview 2024-2025

### Marine Science- High School

#### Teacher Contact Information:

- Mrs. Ryanne Graham
- Phone: 407-883-1820
- Email: [rgraham@wearetherockofcf.org](mailto:rgraham@wearetherockofcf.org)

#### Course Overview:

Marine Science is a high school course exploring earth's marine ecosystem full of fascinating, even bizarre creatures. We will study them as well as the physical features of the ocean floor and characteristics of the tides and begin to understand how creation works and how we can help protect it while being good stewards of it.

#### See TRA Website for Supplies List

#### The Successful Student:

- Will turn in assignments weekly, study, and complete work to the best of **their** ability
- Read and follow the instructions on their assignments
- Actively participate in class and ask questions when help is needed
- Keep an organized binder
- Check FACTS Gradebook Weekly- They should have a separate login from parents to access only their courses and online tests/quizzes.

#### The Successful Parent

- Checks the FACTS gradebook weekly
- Contacts me with questions or concerns related to the course, assignments, or grades.
- Provides and/or asks for resources available when their student is struggling

#### Homework Policy

- Assignments turned in more than 1 week past the due date will receive a 0%.
- Assignments turned in 1 week past due will be penalized 10% UNLESS the student was excused.
- Students who are caught cheating will be given a 0% with no opportunity to make up or drop the grade.
- In-class assignments/tests missed due to an unexcused absence/tardy may not be turned in for a grade.
