Course Overview: What is the overall viewpoint of this class?

This course is designed to give the students insight into events that helped shape and develop present day America. As the students will learn of the different wars throughout history, I will help them see how The Wars of Independence have impacted the modern times they live in now.

I will expect the student to:

- Be polite and always have good manners! (See the Code of Conduct)
- Keep current with all assignments.
- Do all their own work with honesty and integrity
- Ask questions and ask for help when they need it.
- ALWAYS be prepared for class, that includes course material, paper, and writing utensils.

I will expect the Parents to:

- Be aware of the current assignments for their students.
- Oversee the work at home making sure that students complete the assignments.
- Provide the materials the students need to be successful in this class.
- Proctor the Take-Home Tests, signing and sealing them to be returned to class
- Contact the teacher if there are any problems ASAP
